**WHAT IS CURSILLO?**

To explain Cursillo to someone who has never experienced Cursillo is mystifying. The reason behind the mystery is God. No one can fully explain how God touches each person in His special and unique way throughout the various elements of the Cursillo Movement. Information and history of the Cursillo Movement is available by visiting: Australian Catholic Cursillo Movement [www.cursillo.asn.au](http://www.cursillo.asn.au) or [www.cairns.catholic.org.au](http://www.cairns.catholic.org.au)

Your chance to begin this experience is by taking part in a Cursillo Three Day Weekend.

The Cursillo Three Day Weekend also has an eight hour in-service recognition for Cairns Diocesan School teachers.

**AIM OF THE WEEKEND**

The Weekend is a three day course in Christian living. It is an enjoyable and enriching experience that will give you time for reflection on what is fundamental about being Christian. The weekend is based on a series of structured talks and questions followed by discussions. It also includes meditations, singing, prayer and Masses.

The weekend opens with a short Retreat in preparation for the three days of talks focusing on:

- What are your ideals?
- Who do you want to be?
- How do you live the Christian way of life?
- How do you set the right priorities for family and work?
- How are you bringing Christ to the world?

**THE LONG TERM AIM OF CURSILLO:**

Cursillo is not aiming to replace existing Church organisations, but to provide support and encouragement for apostolic activity within these organisations. It offers you the opportunity to deepen your personal relationship with Christ through support from a group of people who really care about your spirituality. The person who invited you is your 'sponsor'. However, a sponsor is not essential to attending the weekend. Everyone will be welcomed and supported during and following the weekend on their Cursillo journey.
